FAIR PLAY RULES

1997 GBC Resolution #103: That the score system for the Sankirtan Newsletter is changed to include the following for individual distribution:

1. The category "Regular"

   (a) to count only literature which is actually sold for some profit (ideally double BBT price) and given into the hands of the receivers personally.
   (b) literature distributed by accepting post dated checks shall only be counted when at least the BBT price has been received.

2. The new category "Subsidized" for the following methods of distribution for individuals:

   (a) devotees working in teams of two or more and recording their group effort as one score.
   (b) subsidized books which are sold for BBT price or less.
   (c) sponsored books which are given to people who can value them (i.e. VIPs, libraries, schools, prisons, etc.).

   Those individuals who are doing these types of subsidized distribution must specify it when reporting scores to the newsletter. Temple and Country scores stay the same. There is no need to report temple scores in two categories.

3. Free distribution

   Free distribution by individuals and temples who give out literature free of cost shall not be counted in the newsletter (except as provided for in "Subsidized" above).

Note: Individuals distributing an unusually large number of books will automatically be put in the Special Teams Unlimited (Subsidized) category unless they explain why they belong in the Regular category.

The Regular category in the Sankirtan Newsletter is for devotees who approach people one-on-one and personally give them books, getting at least the book cost from each person.

The Team category (or Special Teams Unlimited category) is for everything else, including corporate book distribution, sponsored books, donated books, books sold below BBT cost, groups of two or more devotees, special temple programs, and devotees getting extra help in any other way which other devotees do not have equal access to and which makes it unfair to be included in the Regular category.

95% of all books must be purchased from your local BBT (2004 GBC Res #411).

Thank you for making the Sankirtan Newsletter more useful, meaningful, fair and transparent.
